Genesis 8:1 A Wind Covered The Earth

And Elohim caused a wind to pass over the Earth

The Great World Flood

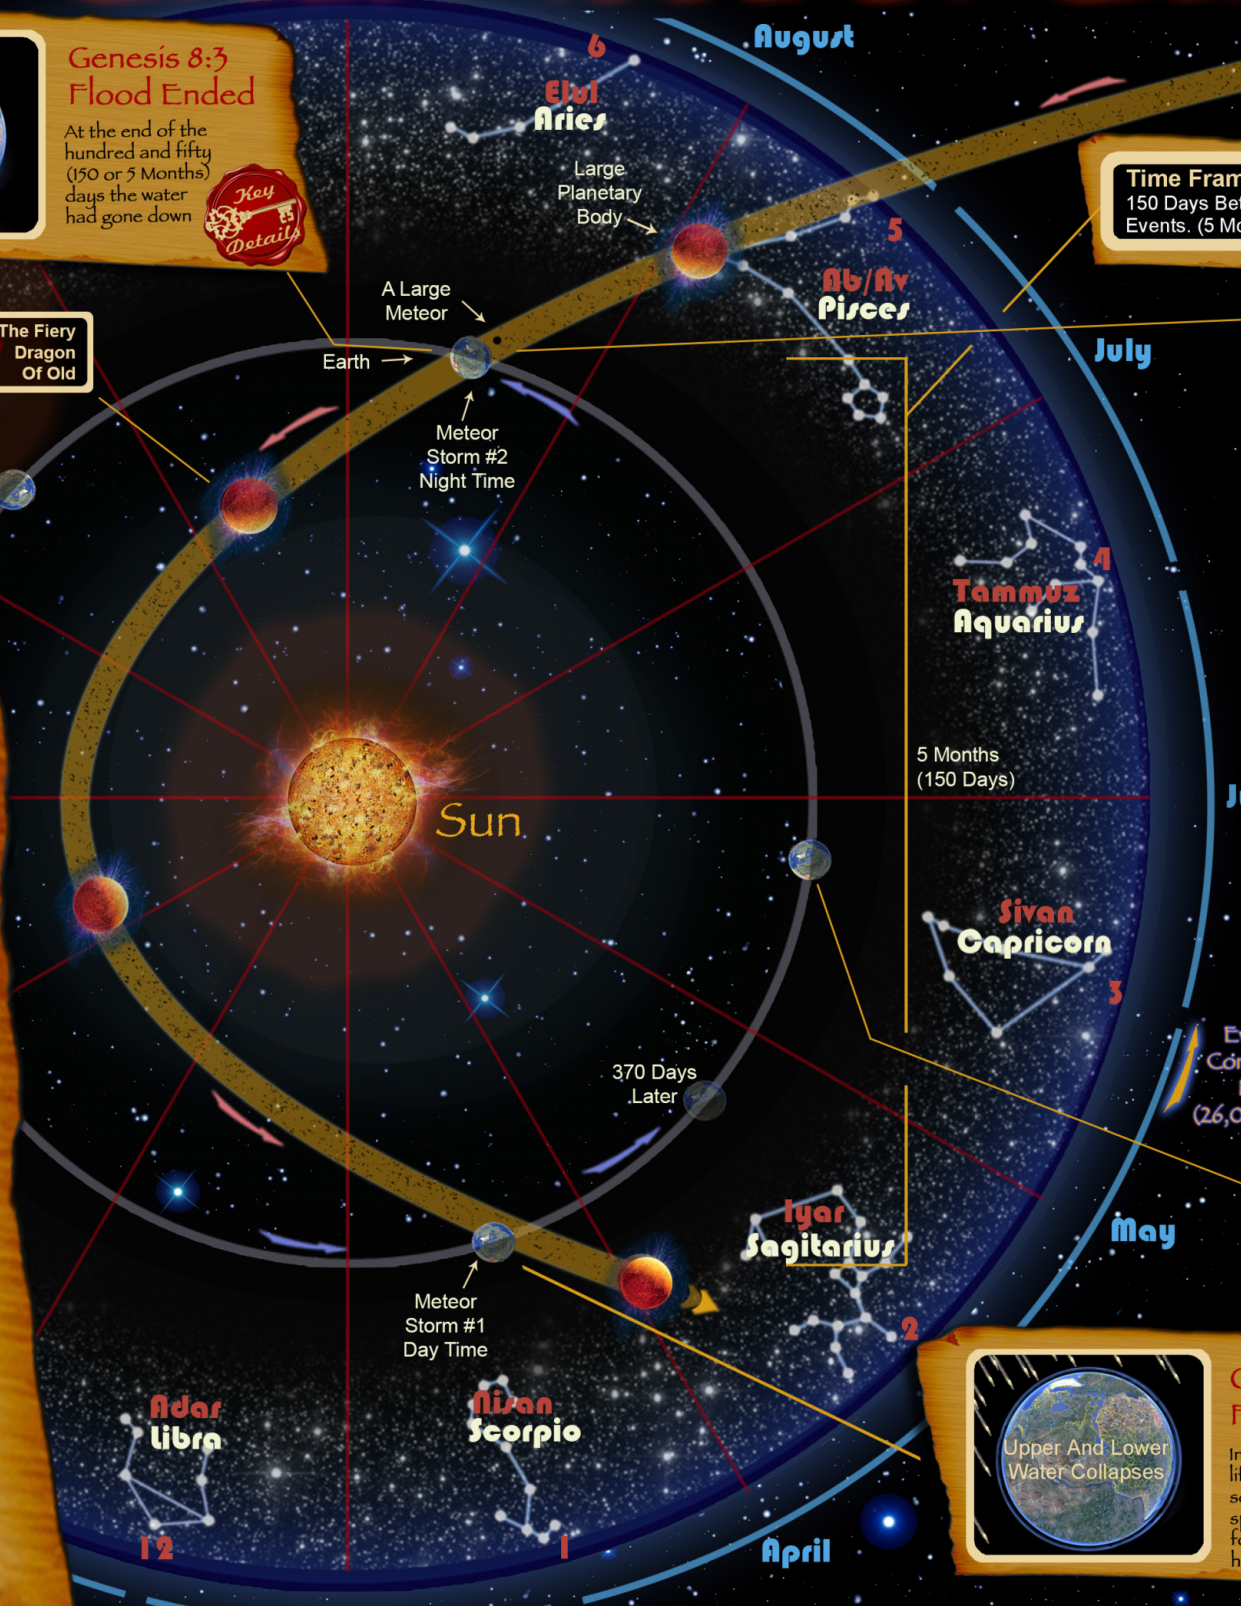

Genesis 7:13-20

13 On that very day Noah and his sons, Shem, Ham and Yepheth, together with his wife and the wives of his three sons, and with them (X) entered the ark. 14 They had with them every wild animal according to its kind, all livestock according to their kinds, every creature that moves along the ground according to its kind and every bird according to its kind, everything with wings. 15 Pairs of all creatures that have the breath of life in them came to Noah and entered the ark. 16 The animals going in were male and female of every living thing, as (X) Elohim had commanded. Then the The-All-Mighty (Elohim) shut them in. 17 For forty days the flood kept coming on the earth, and as the waters increased they (X) lifted the ark high above the earth. 18 The waters rose and increased greatly on the earth, and the ark floated on the surface of the water. 19 They rose greatly on the earth, and all the high mountains under the entire heavens were covered. 20 The waters rose and covered the mountains to a depth of more than fifteen cubits.

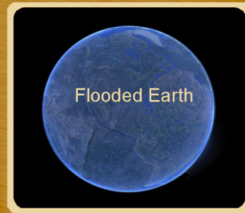

Genesis 8:1-14

But (X) Elohim remembered Noah and all the wild animals and the livestock that were with him in the ark, and he sent a wind over the earth, and the waters receded. 2 Now the springs of the deep and the floodgates of the heavens had been closed, and the rain had stopped falling from the sky. 3 The water receded steadily from the earth. At the end of the hundred and fifty days the water had gone down, 4 and on the seventeenth day of the seventh month the ark came to rest on the mountains of Ararat. 5 The waters continued to recede until the tenth month, and on the first day of the tenth month the tops of the mountains became visible. 6 After forty days Noah opened a window that (X) had made in the ark 7 and (X) sent out a raven, and it kept flying back and forth until the water had dried up from the earth. 8 Then (X) sent out a dove to see if the water had receded from the surface of the ground. 9 But the dove could find nowhere to perch because there was water over all the surface of the earth; so it returned to (X) in the ark. (X) reached out his hand and took the dove and brought it back to himself in the ark. 10 (X) waited seven more days and again sent out the dove from the ark. 11 When the dove returned to (X) in the evening, there in its beak was a freshly plucked olive leaf! Then Noah knew that the water had receded from the earth. 12 (X) waited seven more days and sent the dove out again, but this time it did not return to him. 13 By the first day of the first month of Noah's six hundred and first year, the water had dried up from the earth. Noah then removed (X) covering from the ark and saw that the surface of the ground was dry. 14 By the twenty-seventh day of the second month the earth was completely dry.

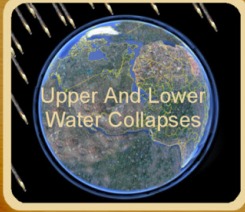

Summary of Accounts of The Great Flood:

- 40 days, length of flood rains (Gen 7:17)
- 150 days, waters were abated (Gen 8:3)
- 150 days, ark came to rest on Mt. Ararat (Gen 8:4)
- 253 days, to see tops of mountains (Gen 8:5)
- 300 days, dove discovers land (Gen 8:10-11)
- 314 days, waters dried up (Gen 8:13)
- 370 days, Earth has vegetation, animals released (Gen 8:14)

Genesis 7:12

And rain fell on the earth forty days and forty nights.

Upper And Lower Water Collapses

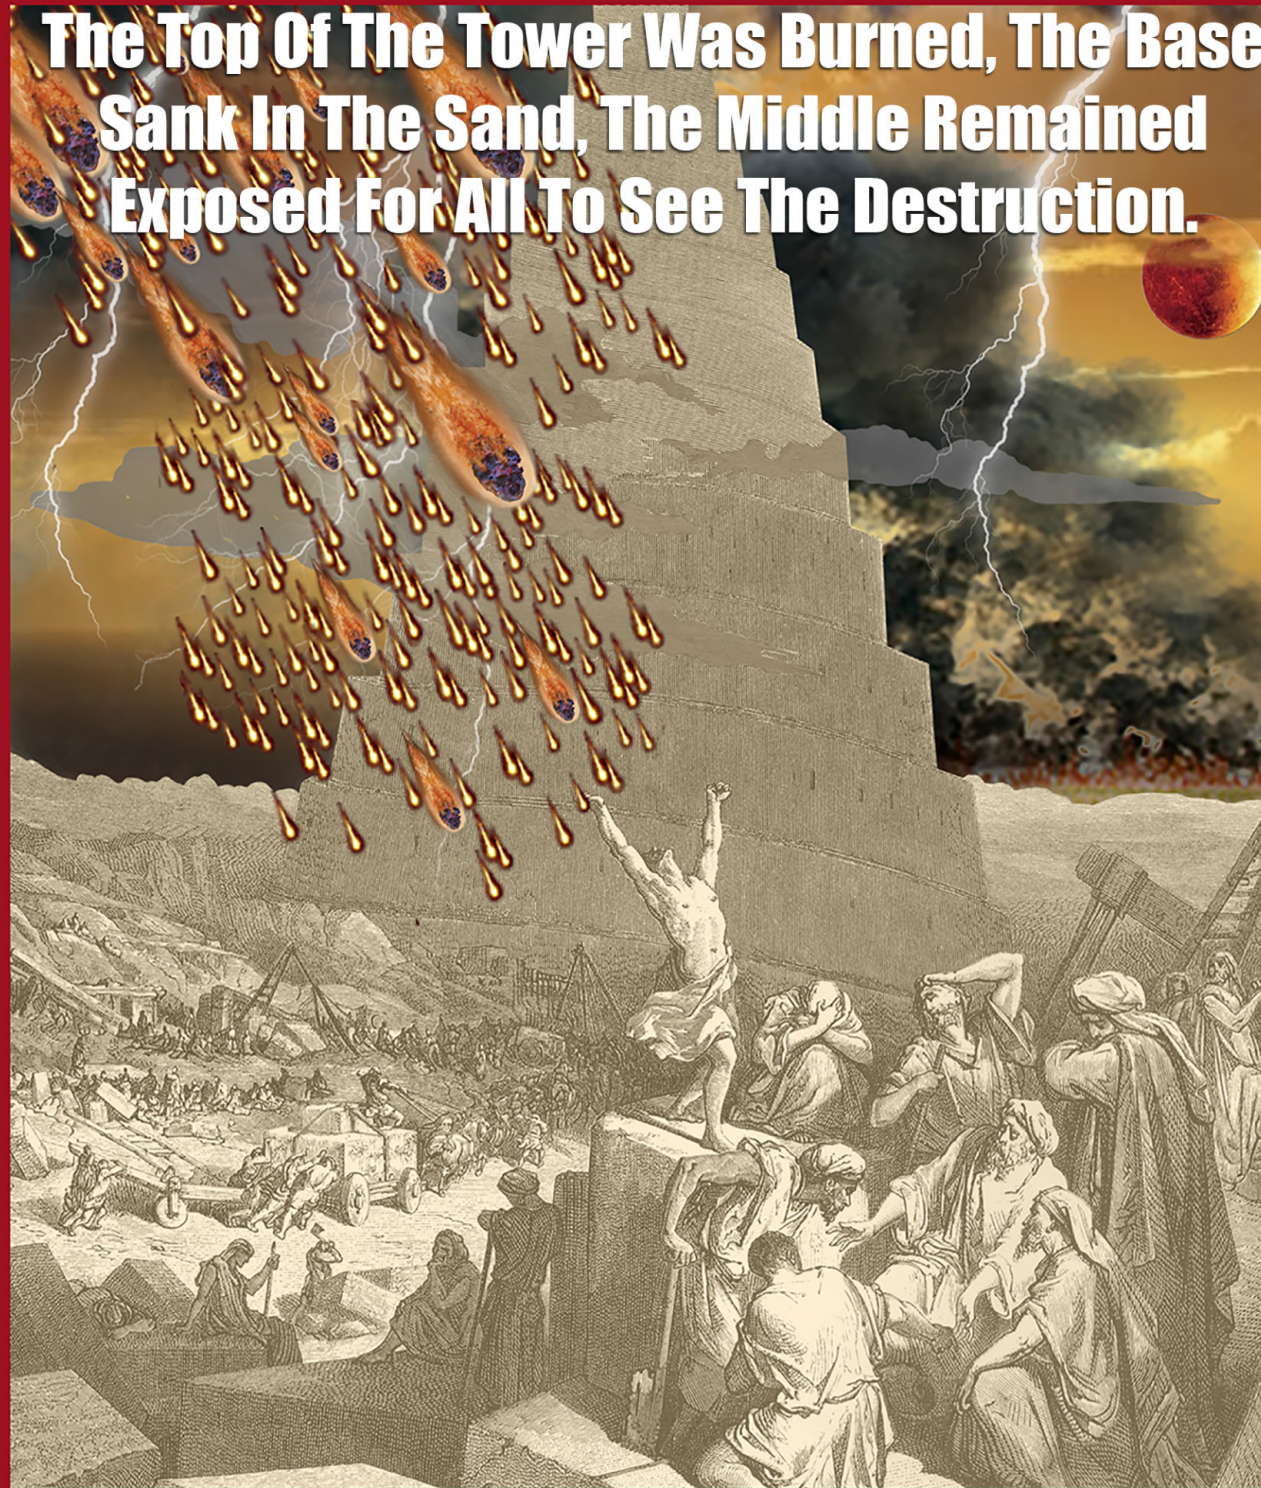

Genesis 7:11 Flood Started

In the six hundredth year of Noah's life, on the seventeenth day of the second month on that day all the springs of the great deep burst forth, and the floodgates of the heavens were opened.

Sodom & Gomorrah Destruction

Book of Genesis 19:23-28

28 The sun had risen upon the earth when Lot entered Tso'ar. 24 And יהוה ^{יהוה} rained sulphur and fire on Sedom and Amarah; from יהוה ^{יהוה} out of the heavens. 25 So He overthrew those cities, and all the plain, and all the inhabitants of the cities, and what grew on the ground. 26 But his wife looked back from behind him, and she became a pillar of salt. 27 And Abraham arose early in the morning and went to the place where he had stood before יהוה ^{יהוה}, 28 and he looked toward Sedom and Amarah, and toward all the land of the plain. And he looked and saw the smoke of the land which went up like the smoke of a furnace."

The Collision That Reduced Planet-7X Speed

The Planet Ceres at one time in the distant past was many times larger than what remains today. The original size of Ceres, that I can estimate, was a range as large as Earth or as small as a quarter of the size of Earth. When Planet-7X (P-7X) was on its way out it collided with planet Ceres which resulted in some of its debris forming the asteroid belt that orbits between Mars and Jupiter. This collision caused P-7X orbital speed to decrease by nearly 1/20 of its normal speed; resulting in a 45 year return orbit which in turn caused an extended three days of darkness. It took P-7X two additional passes around the Sun to gain its original speed of an approximate 360 year orbit.

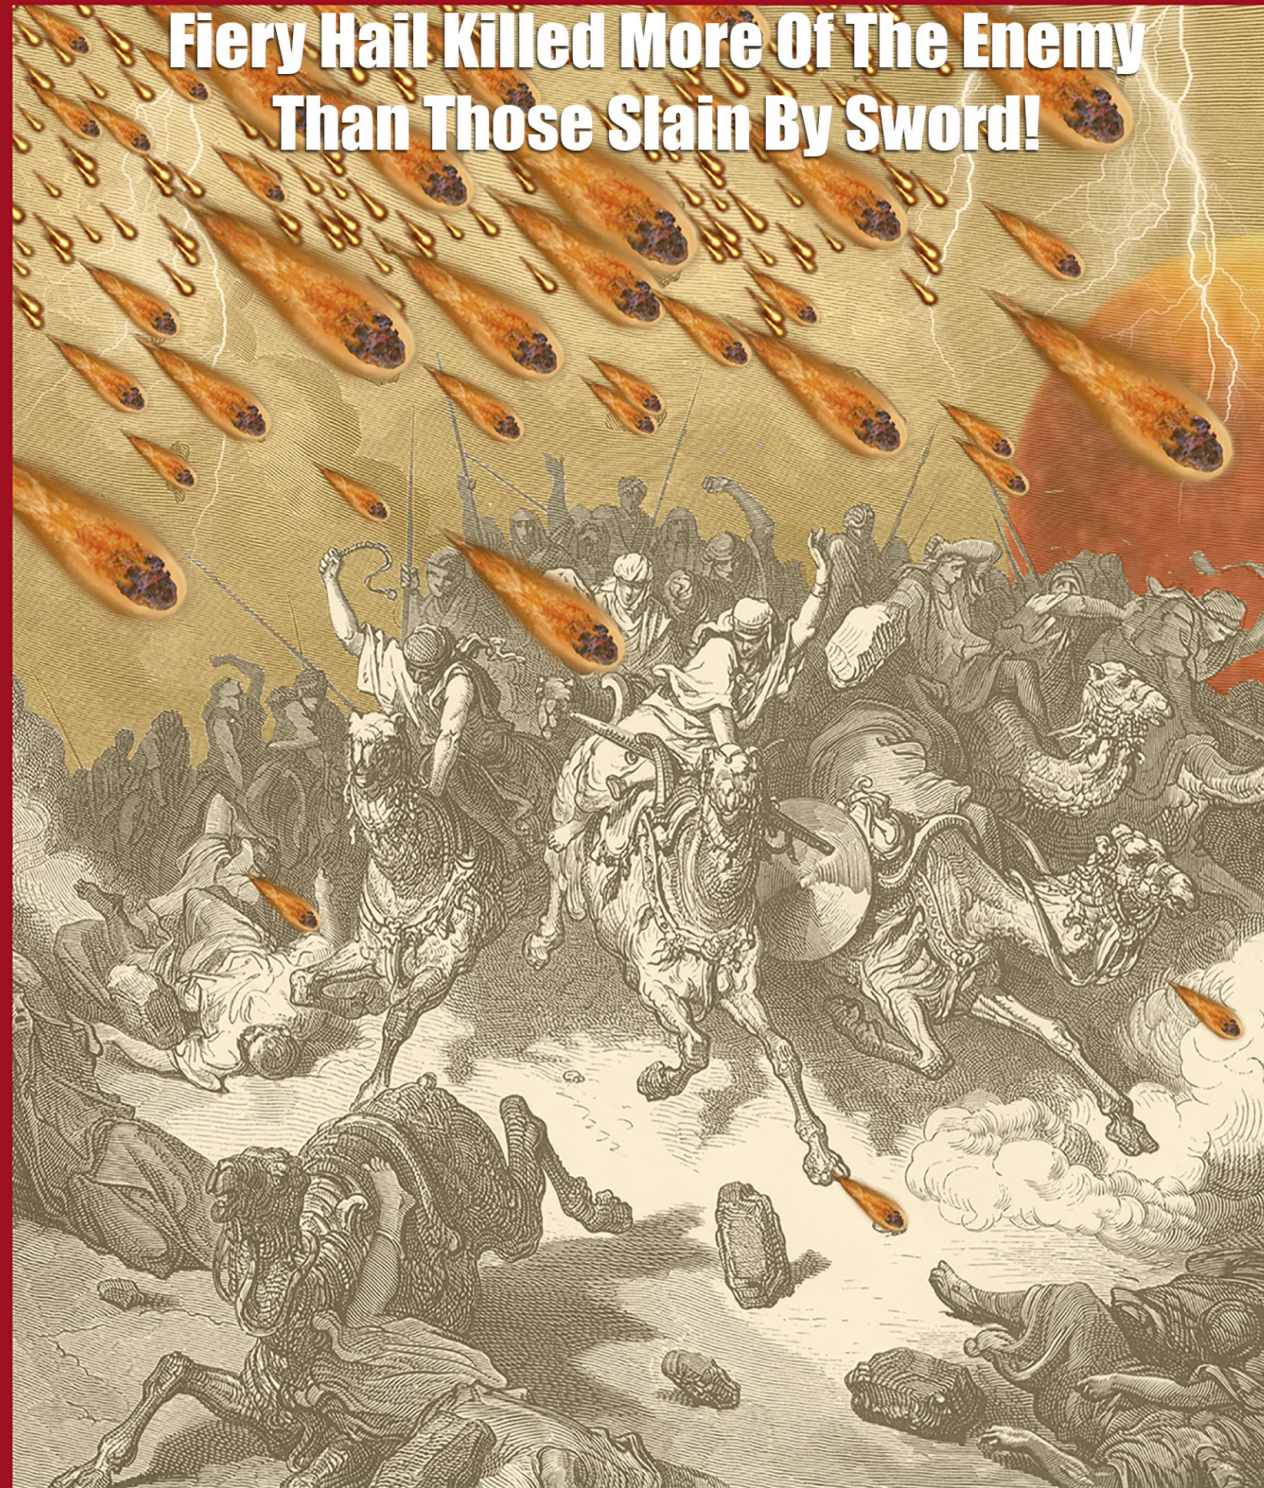

Book of Exodus 10:21-23

21 And יהוה said to Mosheh, "Stretch out your hand toward the heavens, and let there be darkness over the land of Mitsrayim, even a darkness which is felt. 22 And Mosheh stretched out his hand toward the heavens, and there was thick darkness in all the land of Mitsrayim for three days. 23 They did not see one another, nor did anyone rise from his place for three days, while all the children of Yisra'el had light in their dwellings."

Revelation - Chapter 18:1-19

Lament Over Fallen Babylon
18 After this I saw another angel coming down from heaven. He had great authority, and the earth was illuminated by his splendor. With a mighty voice he shouted: "Fallen! Fallen is Babylon the Great! She has become a dwelling for demons and a haunt for every evil spirit, a haunt for every unclean bird, a haunt for every unclean and detestable animal.
19 For all the nations have drunk the maddening wine of her adulteries. The kings of the earth committed adultery with her, and the merchants of the earth grew rich from her excessive luxuries."

Warning to Escape Babylon's Judgment
4 Then I heard another voice from heaven say:
5 "Come out of her, my people, so that you will not share in her sins, so that you will not receive any of her plagues; for her sins are piled up to heaven, and God has remembered her crimes.
6 Give back to her as she has given; pay her back double for what she has done. Pour her a double portion from her own cup.
7 Give her as much torment and grief as the glory and luxury she gave herself. In her heart she boasts, 'I sit enthroned as queen. I am not a widow; I will never mourn.'
8 Therefore in one day her plagues will overtake her: death, mourning and famine. She will be consumed by fire, for mighty is the Lord God who judges her."

Threefold Woe Over Babylon's Fall
9 When the kings of the earth who committed adultery with her and shared her luxury see the smoke of her burning, they will weep and mourn over her. Terrified at her torment, they will stand far off and cry:
10 "Woe! Woe to you, great city, you mighty city of Babylon! In one hour your doom has come!"
11 The merchants of the earth will weep and mourn over her because no one buys their cargoes anymore—
12 cargoes of gold, silver, precious stones and pearls; fine linen, purple, silk and scarlet cloth; every sort of citron wood, and articles of every kind made of ivory, costly wood, bronze, iron and marble;
13 cargoes of cinnamon and spice, of incense, myrrh and frankincense, of wine and olive oil, of fine flour and wheat; cattle and sheep; horses and carriages; and human beings sold as slaves.
14 They will say, "The fruit you longed for is gone from you. All your luxury and splendor have vanished, never to be recovered."
15 The merchants who sold these things and gained their wealth from her will stand far off, terrified at her torment. They will weep and mourn and cry out: "Woe! Woe to you, great city, dressed in fine linen, purple and scarlet, and glittering with gold, precious stones and pearls!
16 In one hour such great wealth has been brought to ruin! Every sea captain, and all who travel by ship, the sailors, and all who earn their living from the sea, will stand far off.
17 When they see the smoke of her burning, they will exclaim, 'Was there ever a city like this great city?'
18 They will throw dust on their heads, and with weeping and mourning cry out:

The Messiah's Sacrifice

The Place of Sacrifice & The Ark

The location of the Ark, unknown for thousands of years, has been the subject of great supposition, among Bible students and archaeologists alike. Is it in a cave on Mt. Nebo? - or perhaps concealed beneath a church in Ethiopia? While the speculation continues, there is one man who claimed to have personally seen the Ark of the Covenant - Ron Wyatt. Ron claimed to have located the Ark in Jerusalem, hidden away in a cave system beneath the Calvary escarpment, an area referenced in the Bible as the place of the skull, the sacrifice site of Yeshua, Yeshua of Nazareth - The Messiah of Israel.

Not only did Ron Wyatt claim to have located the Ark, but he also claimed that the Messiah's sacrifice took place directly above the location of the Ark - that an earthquake at that time opened a fissure between the sacrifice site and that of the Ark - and that the blood of Messiah flowed down through that crack and on to the Mercy Seat of the Ark of the Covenant. The Bible states that without the shedding of blood there is no remission. Ron claimed that just as the blood of sacrificial animals, the blood of Yeshua, the lamb that was slain, literally fulfilled the covenant requirement for atonement.

Sun Eclipsed By ?

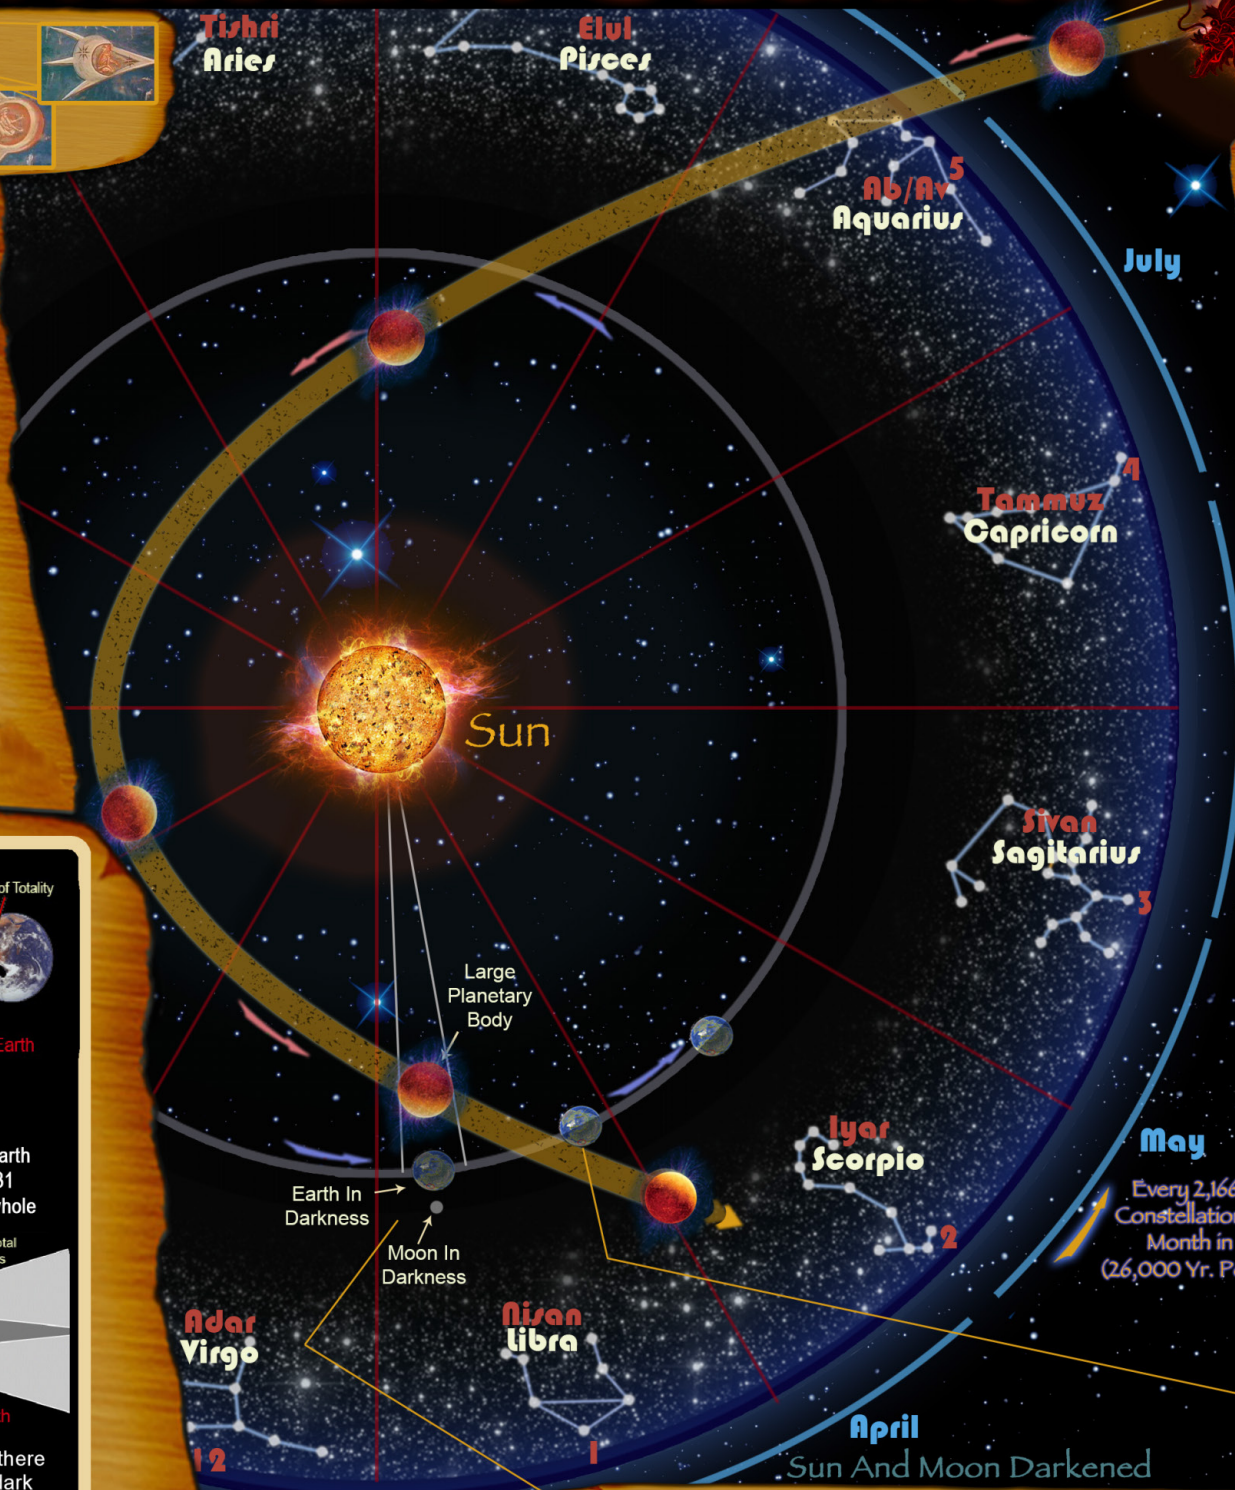

Path of Totality
A typical eclipse darkens only a small band across Earth surface for a maximum length of time of 7 minutes 31 seconds; this could not explain darkness over the whole Earth.... So what was it?

Historical Evidence

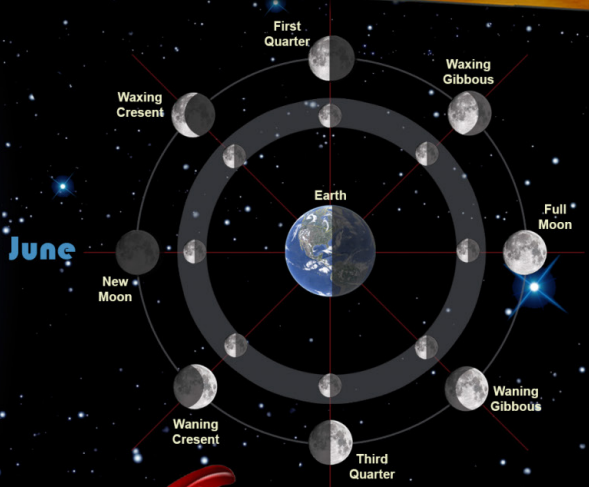

Pontius Pilate, Procurator of Judea

The Report of Pontius Pilate, Procurator of Judea to Tiberius Caesar: "And when he had been sacrificed there was darkness over the whole earth, the sun having been completely hidden, and the heaven appearing dark though it was day, so that the stars appeared, but had at the same time their brightness darkened, as I suppose your reverence is not ignorant of, because in all the world they lighted lamps from the sixth hour until evening. And the moon, being like blood, did not shine the whole night, and yet she happened to be at the full."

Julius Africanus

Julius Africanus was a Christian chronographer of the late second century. In a comment on the darkness that fell upon the land during the sacrifice (Mark 15:33), Africanus states that "Thallus, in the third book of his histories, explains away this darkness as an eclipse of the sun." Africanus stated his objection to the report arguing that an eclipse of the sun cannot occur during the full moon, as was the case when Yeshua died on the eve of Passover. The force of the reference to Thallus is that the circumstances of Yeshua's death were known and discussed in the Imperial City as early as the middle of the first century.

Lunar Eclipse Requires A New Moon Not A Full Moon

This rules out a natural event like a solar eclipse; it is physically impossible for a solar eclipse to occur on a "full" Moon, you need a "new" Moon. Yeshua was sacrificed on Passover (14th) the day before Feast of Passover (15th) which always falls on a full Moon.

Earthquake

Matt. 27:51-54

At that moment the curtain of the temple was torn in two from top to bottom. The earth shook, the rocks split and the tombs broke open. The bodies of many set-apart people who had died were raised to life. They came out of the tombs after Yeshua's resurrection and went into the holy city and appeared to many people. When the centurion and those with him who were guarding Yeshua saw the earthquake and all that had happened, they were terrified, and exclaimed, "Surely he was the Son of Elohim (אֱלֹהִים)!"

Matt. 27:45; Mark 15:33 Luke 23:44-45

The sun and moon became dark for three hours at the Messiah's Sacrifice.

Constantine's Cross In The Sky

Battle of the Milvian Bridge

Constantine was marching with his army (Eusebius does not specify the actual location of the event, but it clearly is not in the camp at Rome possibly months earlier before the battle), when he looked up to the sun and saw a cross of light above it, and with it the Greek words "Ev Toútō Níka", En toutō níka, usually translated into Latin as "in hoc signo vinces," both phrases have the literal meaning "In this sign, you shall conquer". At first he was unsure of the meaning of the apparition, but the following night he had a dream in which Christ explained to him that he should use the sign against his enemies. Eusebius then continues to describe the labarum, the military standard used by Constantine in his later wars against Licinius, showing the Chi-Rho sign.

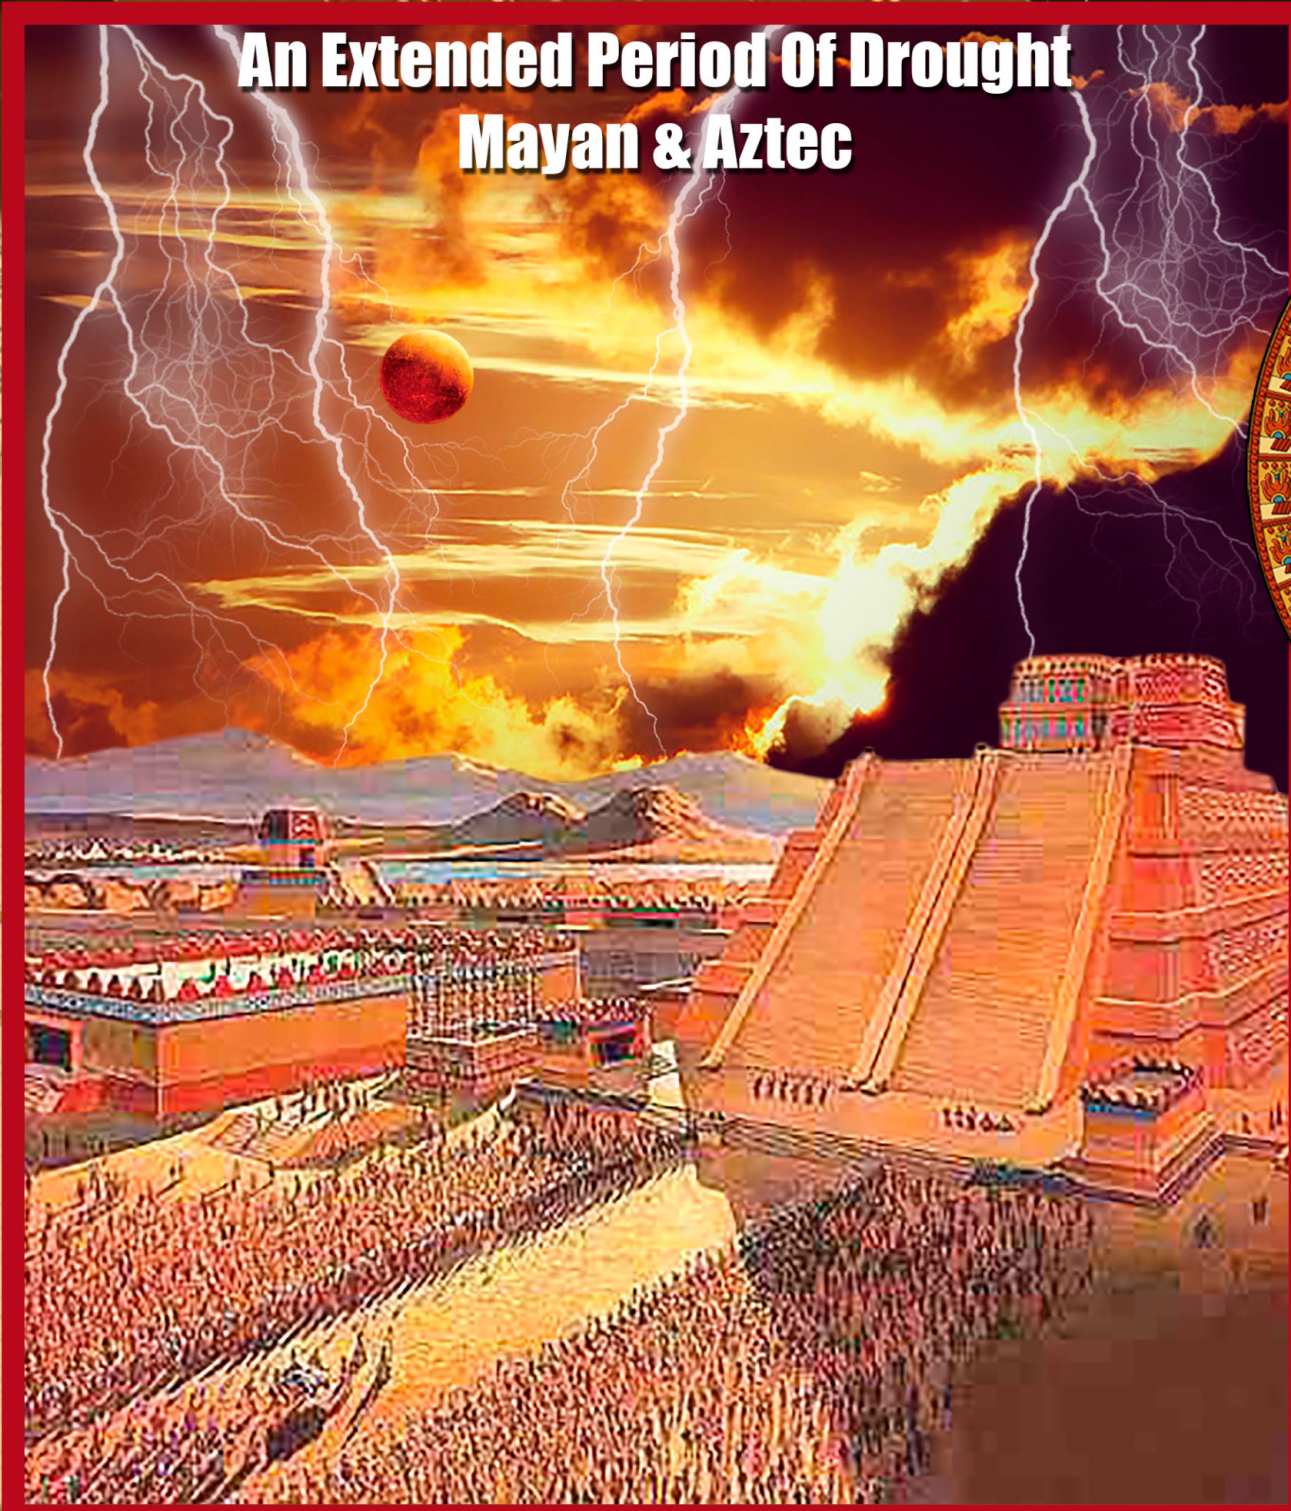

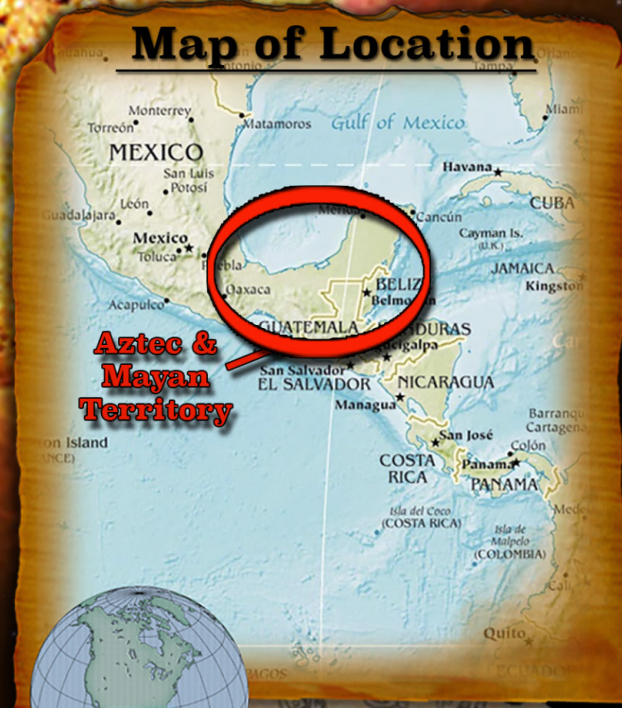

Constantine - October 28, 312 CE

Constantine believed that what he saw in the sky, was a manifestation of Apollo, whom he had identified as the sun-god. There are several coins from this year, like the one shown to the left, which shows Constantine with the sun-god's chariot on his shield, and Apollo next to him.

Chinese Guest Star Of 1054

A Re-evaluation of the Eastern and Western Records of the Supernova of 1054

Some researchers find that the explosion of the Crab nebula supernova, is likely to have occurred weeks to months before the commonly accepted date of July 4th 1054. What is not often discussed is an important white paper "A Re-evaluation of the Eastern and Western Records of the Supernova of 1054", that examines the original Chinese, Korean and Japanese evidence for this assertion. On the basis of the actual historical records their conclusion is that this object traveled across the sky and was not a stationary object, therefore disqualifying the supernova theory.

I decided to plot this N.E.O. (Near Earth Object) orbital path with astronomy software, that could recreate the night sky of what Chinese, Korean and Japanese astronomers had observed in the year 1054. The parameters that matched the ancient Asian records mirror the Biblical data:

1. An entry point of the N.E.O. on Earth's orbital path near the end of August.
2. An exit point of the N.E.O. on Earth's orbital path near mid March (Passover).
3. A separation of 150 days between entry and exit points of the N.E.O.
4. The position of the N.E.O. path on Earth's planetary plane.

The depth and degree to which the data cross-validated itself was beyond expectations! The scientific data along with eyewitness accounts from around the world, spanning thousands of years and including many Biblical accounts all but eliminate random coincidence.

1. "Its color was reddish-white, with pointed rays in all four directions".
2. The object was very bright, as bright as Venus and was visible during the daylight.
3. They observed the object move across the sky. It was not a stationary object!
4. Chinese stargazers observed the "Guest Star" for approximately 26 months.

Note:

Most of the records of this awesome event, in cultures all over the world, were edited or destroyed for religious and political purposes.

Jesuit scholar Franz Kugler suggested, based on his close study of the Mesopotamian clay tablets early in the twentieth century, that the ancient cultures of the Middle East had knowledge of a large celestial body orbiting in a great elliptical path, like a comet.

As Planet-7X approached the Sun on a highly elliptical orbit, its magnetic field will start to react with the solar winds increasing its brightness, and causing a comet like tail to appear. Planet-7X will become visible during daytime, as it approaches Earth, months before its common date of July 1054 AD. It would have appear thirteen months in its approach as a new star in the night sky.

The Great Tribulation

The Book of Revelation
Seal #6 Starts With Planet-7X
And Yeshua Returning For His Bride

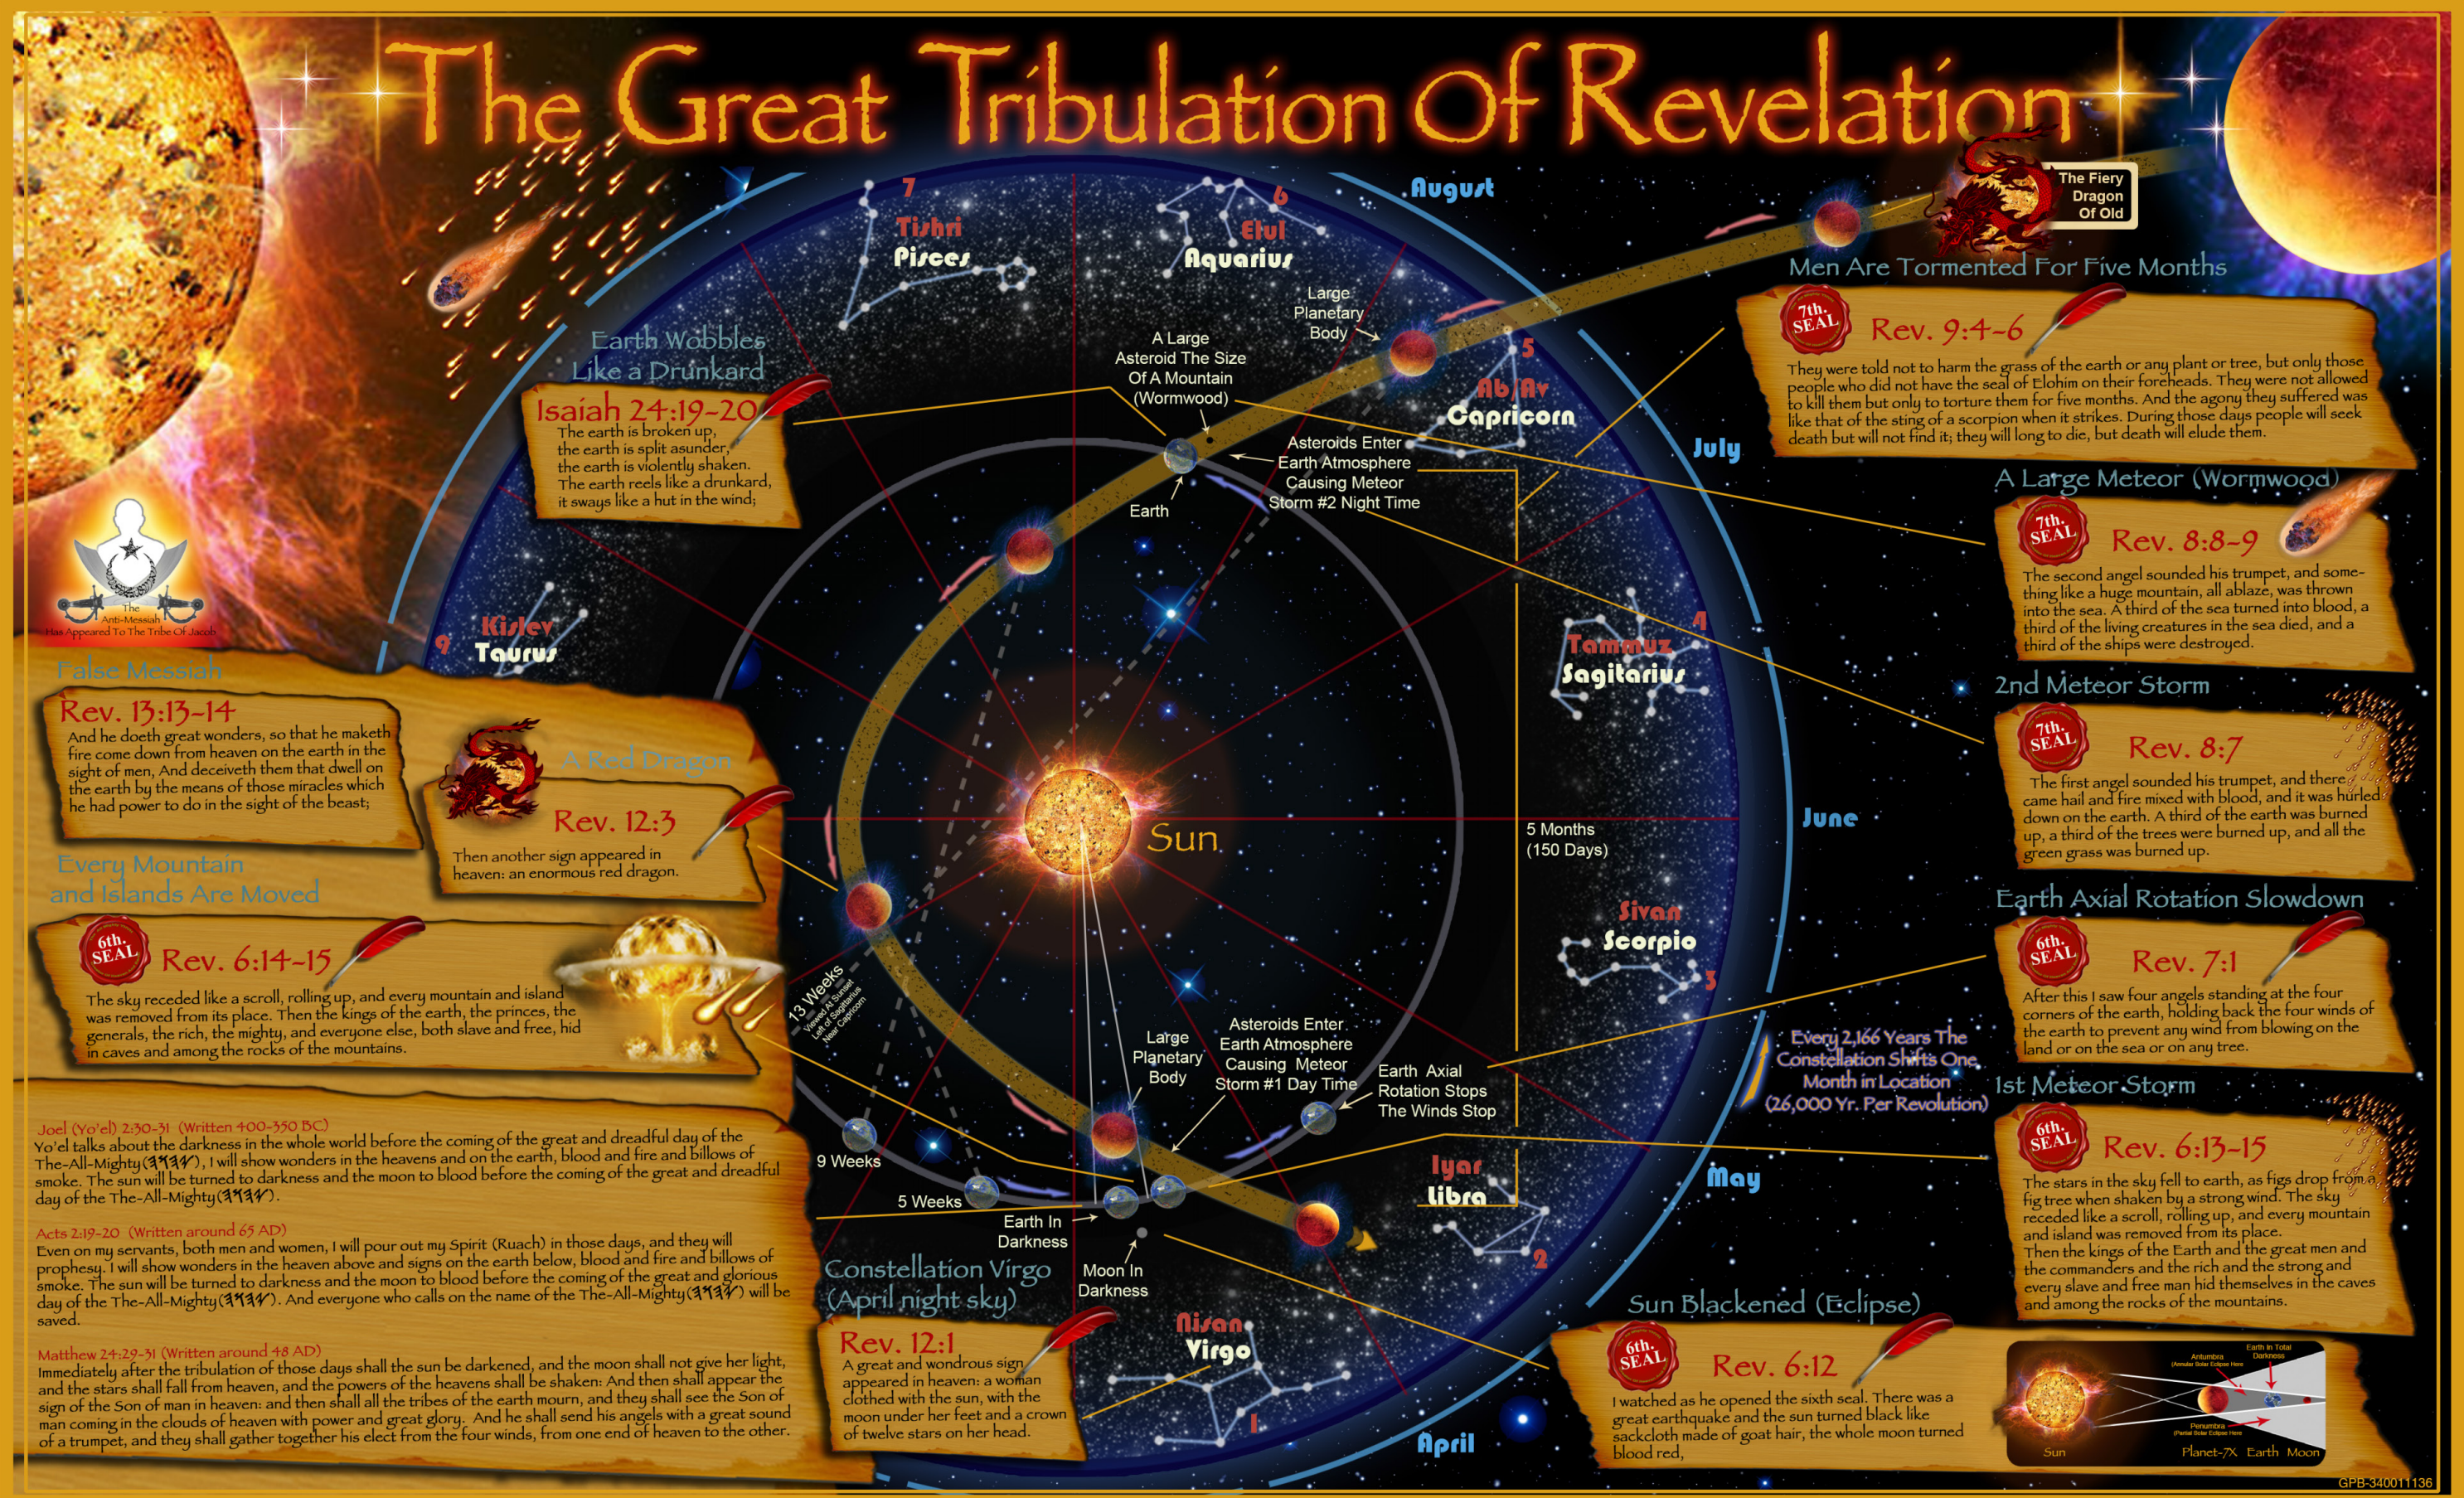

YHVH gave the visions of Revelation to Yeshua, who told Yohanan (John) to write

The Start of Seal #6 - 2016 CE

The Great Tribulation Of Revelation

Men Are Tormented For Five Months

Rev. 9:4-6

They were told not to harm the grass of the earth or any plant or tree, but only those people who did not have the seal of Elohim on their foreheads. They were not allowed to kill them but only to torture them for five months. And the agony they suffered was like that of the sting of a scorpion when it strikes. During those days people will seek death but will not find it; they will long to die, but death will elude them.

A Large Meteor (Wormwood)

Rev. 8:8-9

The second angel sounded his trumpet, and something like a huge mountain, all ablaze, was thrown into the sea. A third of the sea turned into blood, a third of the living creatures in the sea died, and a third of the ships were destroyed.

2nd Meteor Storm

Rev. 8:7

The first angel sounded his trumpet, and there came hail and fire mixed with blood, and it was hurled down on the earth. A third of the earth was burned up, a third of the trees were burned up, and all the green grass was burned up.

Earth Axial Rotation Slowdown

Rev. 7:1

After this I saw four angels standing at the four corners of the earth, holding back the four winds of the earth to prevent any wind from blowing on the land or on the sea or on any tree.

1st Meteor Storm

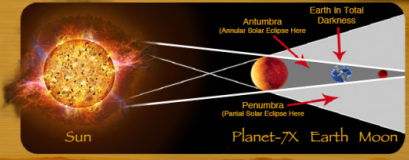

Rev. 6:13-15

The stars in the sky fell to earth, as figs drop from a fig tree when shaken by a strong wind. The sky receded like a scroll, rolling up, and every mountain and island was removed from its place. Then the kings of the Earth and the great men and the commanders and the rich and the strong and every slave and free man hid themselves in the caves and among the rocks of the mountains.

Rev. 6:12

I watched as he opened the sixth seal. There was a great earthquake and the sun turned black like sackcloth made of goat hair, the whole moon turned blood red,

Isaiah 24:19-20
The earth is broken up, the earth is split asunder, the earth is violently shaken. The earth reels like a drunkard, it sways like a hut in the wind;

False Messiah

Rev. 13:13-14

And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men, And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast;

A Red Dragon

Rev. 12:3

Then another sign appeared in heaven: an enormous red dragon.

Every Mountain and Islands Are Moved

Rev. 6:14-15

The sky receded like a scroll, rolling up, and every mountain and island was removed from its place. Then the kings of the earth, the princes, the generals, the rich, the mighty, and everyone else, both slave and free, hid in caves and among the rocks of the mountains.

Joel (Yo'e'l) 2:30-31 (Written 400-350 BC)
Yo'e'l talks about the darkness in the whole world before the coming of the great and dreadful day of the The-All-Mighty (אֱלֹהִים), I will show wonders in the heavens and on the earth, blood and fire and billows of smoke. The sun will be turned to darkness and the moon to blood before the coming of the great and dreadful day of the The-All-Mighty (אֱלֹהִים).

Acts 2:19-20 (Written around 65 AD)
Even on my servants, both men and women, I will pour out my Spirit (Ruach) in those days, and they will prophesy. I will show wonders in the heaven above and signs on the earth below, blood and fire and billows of smoke. The sun will be turned to darkness and the moon to blood before the coming of the great and glorious day of the The-All-Mighty (אֱלֹהִים). And everyone who calls on the name of the The-All-Mighty (אֱלֹהִים) will be saved.

Matthew 24:29-31 (Written around 48 AD)
Immediately after the tribulation of those days shall the sun be darkened, and the moon shall not give her light, and the stars shall fall from heaven, and the powers of the heavens shall be shaken: And then shall appear the sign of the Son of man in heaven: and then shall all the tribes of the earth mourn, and they shall see the Son of man coming in the clouds of heaven with power and great glory. And he shall send his angels with a great sound of a trumpet, and they shall gather together his elect from the four winds, from one end of heaven to the other.

Note: Rev. 12:1 The word "Sun" is a mistranslation, in Hebrew it would have meant an illuminated heavenly object. We have five to select from; sun, moon, star, planet & comets. Logically we can deduct which object it is. The Moon is at her feet, and the stars are not visible when the sun is out, and a star is not bright enough to light up a constellation. So the only logical object left is a planet/comet casting it's light on Virgo!

Earth's Continental Crust

If we look at the first paragraph of Rev. 8:7-11, with a scientific view point, we find he is describing a meteor storm impacting 1/3 of the continental crust (trees, grass and rivers). If we look at a globe of the Earth we would see that Europe, Asia and Africa consists 2/3 of the land mass on one half of the planet and North & South America consists 1/3 of the land mass on the other half. It is Biblically apparent the impact zone will be the half of the Earth with North & South America.

Scientific Community

2/3 Continental

I personally believe that the scientific community will make an error in predicting which half of the Earth will be impacted. At present, there is no scientific model that exists for a 12 hour rotational delay of Earth. There is only a Biblical model of "Joshua's longest day". This error will cause scientists to calculate the impact zone to the wrong half of the Earth (2/3 continental crust).

Revelation 8:7-11

The first angel sounded, and there followed hail and fire mingled with blood, and they were cast upon the earth: and the third part of trees was burnt up, and all green grass was burnt up. And the second angel sounded, and as it were a great mountain burning with fire was cast into the sea: and the third part of the sea became blood; And the third part of the creatures which were in the sea, and had life, died; and the third part of the ships were destroyed. And the third angel sounded, and there fell a great star from heaven, burning as it were a lamp, and it fell upon the third part of the rivers, and upon the fountains of waters; And the name of the star is called Wormwood:

144 Cubits = 36 Men Height

The ancient Hebrew did not use Old English "furlongs" as a standard of measurement, they used the "stadia" or "stadium", which is equal to 400 cubits (7,000 in. or 177.80 m).

Rev 21:16 1,325.75 Mi.

The New Jerusalem

Over 2,000 Yr. Ago
It Was Written

A Great High Wall

Rev 21:12

Also she had a great and high wall with twelve gates, and twelve angels at the gates, and names written on them, which are the names of the twelve tribes of the children of Israel:

Chrysolite (Light Green)
Beryl (Aqua)
Topaz (Green)
Chrysoptase (Apple Green)
Jacinth (Dark Blue-Grey)
Amethyst (Purple)

The City Is Made From 12 Precious Stone

Jasper (Red or Green)
Sapphire (Dark Blue)
Chalcedony (Light Blue)
Emerald (Green)
Sardonyx (Brown or Black Striped)
Carnelian (Orange Red)

Clear As Crystal

Rev 21:11

Clear as Glass
(Just a Different Form Of Carbon)

12 Gates - East, North, South & West

Rev 21:13

three gates on the east, three gates on the south, and three gates on the west.

Each Like A Pearl

Rev 21:21

The twelve gates were twelve pearls: each individual gate was of one pearl. And the street of the city was pure gold, like transparent glass.

Rev 21:17 210 ft. Thick

Then he measured its wall: one hundred and forty-four cubits, according to the measure of a man, that is, of a messenger.

Diameter Is 1,325.75 Miles Across

1,200,000 Men Height (2,133.58 km)

It is impossible for men 2,000 years ago to precisely guess the lengths and shapes for this perfect design that meets modern engineering principals.

Today mathematical formulas have only been in existence for less than 80 years, for it to be able to validate such a design.

"The New Jerusalem" reaches beyond our present construction capabilities.

Vacuum Of Space "2nd Heaven" To 14.7 lbs/in² (101.325 kPa) "1st Heaven"

Precious Stones

Rev 21:19-20

The foundations of the wall of the city were adorned with all kinds of precious stones: the first foundation was jasper, the second sapphire, the third chalcedony, the fourth emerald, the fifth sardonyx, the sixth sardius, the seventh chrysolite, the eighth beryl, the ninth topaz, the tenth chrysoptase, the eleventh jacinth, and the twelfth amethyst.

ESTIMATING THE YEAR OF PLANET-7X RETURN

It's return will become apparent when Planet-7X is actually sighted in December (Hanukkah) the prior year, as a distant bright object equivalent to the appearance in size to Jupiter and as bright as Venus in the night sky.

We will then have approximately 3 1/2 months before the first of two meteor storms.

Hosea 4:6-7

My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy Elohim of you, I will also forget thy children.

As they were increased, so they sinned against me: therefore will I change their glory into shame.
